Dear Sir:

Applicants request that a Filing Receipt be issued reflecting the bibliographic information on the attached application data sheet. In particular, the third inventor's last name should be "Pei" rather than "Pie." The correct spelling of the third inventor's first name is properly noted by the third inventor's actual signature on the "Combined Declaration and Power of Attorney," which was filed in connection with this application on July 18, 2002 (copy enclosed) and has been duly noted on the enclosed Corrected Application Data Sheet.

Please note that the undersigned has never received a Filing Receipt; thus, it is not possible to provide a marked-up copy showing needed corrections. No fee is believed to be due in connection with this request. However, the Commissioner of Patents and Trademarks is hereby authorized to charge any fee that may be required to Deposit Account No. 12-1216. A duplicate copy of this communication is enclosed for that purpose.
